Make Friends

The active student life provides opportunities to interact with other university students. CSUF has 250+ student clubs and organizations, as well as recreational activities on campus.

Helpful Staff

International Student Services helps you adjust quickly and provides support throughout the semester. Services include assisting with your application, immigration advising, housing, and health insurance.

For the Experience of a Lifetime!

University Semester Abroad students experience American culture, learn in inspiring classes, enjoy Southern California and make lasting friendships

"I had the best time of my life when I was in Fullerton. I met so many nice people and we had the opportunity to see other parts of the country. The professors at the University really inspired me. They taught me things that I still carry with me. They had a lot of experience in their field which made them very interesting."

"Studying two semesters at CSUF has truly been one of the best things in my life. I had the chance to learn a lot about the American culture and to see a different school system. The professors are very professional and they helped me achieve my study goals. Campus life is very eventful and offers lots of possibilities to meet people from different countries and cultures. Studying at CSUF will leave a lasting impression on you!"
